**"The following findings are established as fact, absent rebuttal, and stand as lawful
admissions under commercial law and fiduciary accountability:"**

BY WAY OF TACIT AGREEMENT WITH THEIR SILENCE, RESPONDENTS HAVE AGREED TO ALL OF THE FOLLOWING FACTS:

Pursuant to *Maxfield v. U.S.*, 152 F. Supp. 530 (1957), un rebutted affidavits stand as truth in commerce. Following receipt and non-response to:

- Affidavit of Fraudulent Judicial Appointment dated (03.06.2025),
- Affidavit of Default for Andrew Ross Davis dated (03.07.2025)
- Notice of Commercial Trespass and Cease and Desist dated (04.07.2025), and
- Affidavit, Notice of Contractual Obligation, and Demand for Audit of the Dwayne Jemon Harris Estate Records dated (2.24.2025)

ALL PARTIES ARE DEEMED TO HAVE CONSENTED TO THE FOLLOWING:

- That the Executor, as Secured Party Creditor, has lawfully asserted full claim over all securities, accounts, bonds, and financial instruments tied to the NAME "DWAYNE JEMON HARRIS," pursuant to rights secured under 15 U.S.C. § 1692g and UCC Article 9.
- That a UCC-1 Financing Statement has been filed and perfected, establishing a superior lien against the NAME and any commercial activity or instruments derived from it. The government actors and municipalities involved are deemed Debtors in this commercial relationship.
- That Robert Parson Jr. and Mary Elizabeth Dorsey have acted in coordinated collusion within the municipal court system of THE CITY OF FLORISSANT to shield each other from liability and judicial scrutiny. Parson Jr., acting without proper oath or bond, has repeatedly disrupted lawful attempts by the Executor to establish record, challenge jurisdiction, or present material evidence, including evidence of securities fraud. His courtroom actions have shielded Dorsey — who maintains direct financial interest in all citations and bonds issued — from direct confrontation regarding her fiduciary and judicial violations.
- That both actors have played administrative shell games in open court to avoid triggering public accountability, including denying access to records, refusing to address material questions on the record, and attempting to reroute proceedings to protect one another from legal exposure. These actions reflect not only improper courtroom conduct but coordinated commercial and administrative fraud, with the intention of suppressing remedy and continuing unauthorized commercial exploitation of the NAME.
- That failure to provide full disclosure of contracts, bonds, and financial transactions constitutes fraudulent concealment and fiduciary breach, particularly where mutual disclosure and consent were not provided in the creation of citations, bonds, or judicial actions.
- That the Executor formally demands a full forensic audit and disclosure of all securities, pooled bonds, and monetization of the NAME, and any refusal constitutes fiduciary obstruction, fraud, and actionable commercial default.

- That both the Office of Chief Disciplinary Counsel (OCDC) and the Missouri Association of Prosecuting Attorneys (MAPA) were formally served with affidavits and certified notices outlining judicial and prosecutorial misconduct involving the NAME "DWAYNE JEMON HARRIS" and the administration of the H.L. ESTATE EXPRESS TRUST.
- That the OCDC, under Missouri Supreme Court Rule 5, and MAPA, as a policy and oversight organization for state prosecutors, failed to investigate or respond, despite having jurisdiction over attorneys and prosecutors committing fraud, fiduciary breach, and conflict of interest in court proceedings monetizing private trust property.
- That their failure to act violates Rule 4-8.3 and 4-8.4 of the Missouri Rules of Professional Conduct, RSMo § 105.452(4), § 610.027, and ABA standards, creating a presumption of complicity, willful negligence, and tacit joinder to systemic commercial injury.
- That by ignoring certified complaints and supporting documentation, both entities are now liable in both public and private capacity for enabling commercial trespass, obstructing public accountability, and facilitating the unlawful use of a private estate for municipal gain.
- That the Missouri Supreme Court Commission on Retirement, Removal and Discipline — including members CHIEF JUSTICE MARY R. RUSSELL JUDGE W. BRENT POWELL, JUDGE ZEL M. FISCHER, JUDGE ROBIN RANSOM, JUDGE PAUL C. WILSON, JUDGE KELLY C. BRONIEC, JUDGE GINGER K. GOOCH — has failed to respond to sworn affidavits and lawful notices documenting widespread judicial misconduct, fiduciary violations, and conflicts of interest involving the NAME "DWAYNE JEMON HARRIS."
- That this Commission's refusal to investigate or act upon these violations, despite being the body tasked with judicial oversight, constitutes tacit agreement, administrative collusion, and commercial dishonor. Their inaction in addressing judges operating under financial incentives tied to municipal prosecutions, all within DUNS-registered for-profit entities, reveals a systemic breach of public trust and duty.
- That no valid contract exists between the Executor and THE CITY OF TOWN AND COUNTRY or its agents, including Judge Krista S. Peyton and Prosecutor Stephanie E. Karr, and no sworn agreement establishing jurisdiction over the private estate has been provided.
- That all summonses or court actions issued against the NAME are refused for cause under RSMo 400.3-501 and UCC 3-501 for lack of verified claim, lawful contract, and due process.
- That Judge Peyton's actions constitute "Mixed War" — an unlawful attack on a private trust estate without jurisdiction or lawful standing — which is treasonous under Article III, Section 3 of the U.S. Constitution and 18 U.S.C. §§ 2381, 2384, and 2385.
- That the attempt to override perfected affidavits and trust claims constitutes judicial fraud, breach of fiduciary duty, deprivation of rights under 18 U.S.C. §§ 241 & 242, and commercial interference.

That such acts remove the protections of judicial immunity and create personal and professional liability for all actors involved.

- That this failure implicates the Commission and each of its members under RSMo §§ 105.452(4), 105.483(4), and 71.010, as well as federal statutes including 18 U.S.C. § 208, 31 U.S.C. § 3729, 15 U.S.C. § 1, and 28 C.F.R. § 0.45(d), for knowingly permitting judicial profiteering and unauthorized administrative control over a private trust estate.
- That by continuing to allow unbonded, unqualified, or financially conflicted judges — such as Robert Parson Jr. — to operate without intervention, the Commission has created personal and professional liability for willful concealment, failure to discipline, and aiding fiduciary and constitutional violations.
- That the Missouri Supreme Court, Office of Chief Disciplinary Counsel (OCDC), Attorney General of Missouri, MAPA, and Missouri State Treasurer have all received formal Sunshine Law Requests, affidavits, and lawful notices regarding the private trust estate. Their collective silence constitutes tacit joinder, commercial dishonor, and fiduciary breach.
- Under RSMo §§ 71.010 and 479.010, municipalities lack authority over private trusts, and the state has a legal obligation to intervene when local governments act beyond their jurisdiction. The State's failure to correct or restrain unlawful municipal actions has now created presumption of liability and standing for action against state oversight bodies.
- RSMo § 27.040 mandates that the Attorney General initiate proceedings to protect the rights and interests of the state and its people. His inaction in restraining municipal fraud, securing compliance with the Sunshine Law under §§ 610.027 and 610.030, and protecting trust administration is a dereliction of that duty.
- These omissions are compounded by the documented failure of THE CITY OF FLORISSANT, THE CITY OF MARYLAND HEIGHTS, THE CITY OF TOWN AND COUNTRY, ST. LOUIS COUNTY COURTS, and the MISSOURI STATE TREASURER to produce trust-related fiduciary records, audit of the account, oaths of office, surety bonds, and bond accounting disclosures.
- This failure, in combination with obstructed access to records, demonstrates willful concealment, fiduciary dishonor, and actionable injury. The State of Missouri is now legally responsible for correcting, compelling, and remediating all harms tied to these unlawful acts and omissions.
- That multiple Sunshine Law Requests (#25-114, #25-115, #25-117, #25-126, #25-137, #25-3168, #25-3353, #25-4496, #25-4497, #25-4498) submitted to THE CITY OF FLORISSANT, ST. LOUIS COUNTY COURTS, and other named entities remain unfulfilled or improperly closed despite lawful payment and follow-up. The lack of full response constitutes willful obstruction under RSMo § 610.027 and concealment of fiduciary records required to be disclosed under RSMo §§ 32.057 and 427.120.

- That these requests sought essential fiduciary and financial disclosures regarding the NAME "DWAYNE JEMON HARRIS," including accounting for public bonds, GSA filings, CAFRs, and securities monetized by municipalities using the estate. The refusal to disclose these items is a breach of fiduciary duty and a violation of federal FOIA obligations (5 U.S.C. § 552), exposing involved parties to liability under 18 U.S.C. § 2071 for concealment of public records.
- That the Executor demands immediate disclosure of all CUSIP numbers, municipal CAFRs, GSA surety bonds, IRS reporting forms, and all related securitization and monetization instruments tied to the NAME. Failure to disclose constitutes commercial bad faith and actionable fraud.
- That THE CITY OF FLORISSANT and THE CITY OF MARYLAND HEIGHTS issued court summonses to the NAME "DWAYNE JEMON HARRIS" using uncertified mail, violating Missouri Supreme Court Rule 54 and constitutional due process standards. This method of service fails to establish legal jurisdiction, rendering all related proceedings void ab initio and exposing all actors involved to liability for fraud under color of law.
- That THE CITY OF TOWN AND COUNTRY initiated a phantom case without a court date, hearing, or procedural path, in an apparent attempt to suppress records access and obstruct disclosure of estate-related financial activity. This conduct violates Sunshine Law and RSMo §§ 32.057 and 427.120.
- These actions reflect coordinated commercial dishonor and administrative trespass that breach due process and fiduciary law, each act invoking full commercial liability, enforceable remedies, and standing for civil and criminal prosecution under both state and federal law.
- That the private trust structure governing the DWAYNE JEMON HARRIS Estate is protected under state, federal, and international law, including the Missouri Uniform Trust Code (RSMo §§ 456.1-103 to 456.11-1107), which confirms that the terms of the trust supersede general statutory provisions, and bars unauthorized interference under RSMo §§ 456.1-105, 456.10-1009, and 456.8-802. Violators are individually liable for unauthorized actions taken against trust property or the Executor.
- That under federal and common law trust principles—including the Restatements of Trusts (Second & Third), U.S. v. Perkins, 163 U.S. 625 (1896), and Montgomery v. State, 845 S.W.2d 857—no municipal officer, state agent, or judicial actor may interfere with or assume fiduciary control over the trust without express contractual authority. Administrative Law Judges and other actors are not immune when acting outside lawful jurisdiction (Free Enterprise Fund v. PCAOB, 561 U.S. 477).
- That the H.L. ESTATE EXPRESS TRUST qualifies as a foreign trust under 26 U.S.C. § 7701(a)(31)(B), and is protected from statutory encroachment under 26 U.S.C. § 679 and 12

C.F.R. § 211.5(d)(1). Unauthorized presumption of jurisdiction is fraudulent and commercially actionable.

- That this trust arrangement is a private contract under Article I, Section 10 of the U.S. Constitution, which bars any state from impairing obligations of contract. Any interference by municipal or state actors constitutes unlawful impairment of contract, commercial trespass, and fiduciary breach.
- That all individuals acting on behalf of THE CITY OF FLORISSANT (Case Nos. 210234284, 210241104, 210241105, 210241106, 210241107), THE CITY OF MARYLAND HEIGHTS (Case Nos. 230257731 and 230257732), THE CITY OF TOWN AND COUNTRY (Case Nos. 200887224 & 200887225), and THE STATE OF MISSOURI (Case No. 25SL-CC01282) who issue citations, hold proceedings, enforce judgments, or attempt to act against trust property or the Executor are hereby put on lawful notice: they are engaging in unauthorized trust activity, commercial trespass, fraud, and violations under color of law.
- These acts constitute breaches of the following federal statutes: 18 U.S.C. § 241 (Conspiracy against rights), 18 U.S.C. § 242 (Deprivation of rights under color of law), 42 U.S.C. § 1983 (Civil action for deprivation of rights), 15 U.S.C. § 78j(b) (Securities fraud), 18 U.S.C. §§ 1341 and 1343 (Mail and wire fraud), and 31 U.S.C. §§ 5314 and 5318 (Financial regulation and fiduciary breach).
- That any further prosecution or monetization of the NAME constitutes criminal conversion of trust property, triggering commercial and lawful remedies including personal and professional liability, lien enforcement, and asset seizure under UCC and international trust law.
- The NAME "DWAYNE JEMON HARRIS" is protected by a common law copyright (Recording #: 2025011700299), and any unauthorized use of said NAME constitutes copyright infringement, commercial fraud, and illegal monetization of private trust property.
- Fee Schedule for damages incurred through these violations is as follows (per occurrence):
 - Trespass on Trust Property: \$5,000,000
 - Color of Law Prosecution: \$10,000,000
 - Misrepresentation of Jurisdiction: \$5,000,000
 - Interference with Trust: \$9,000,000
 - Fraud Upon the Court / Title: \$5,000,000
 - Stalking / Harassment: \$10,000,000
 - Failure to Dismiss Upon Notice: \$25,000,000
- That THE CITY OF FLORISSANT, THE CITY OF MARYLAND HEIGHTS, THE CITY OF TOWN AND COUNTRY, and ST. LOUIS COUNTY COURTS each operate as for-profit enterprises with active or historical D-U-N-S Numbers issued by Dun & Bradstreet, confirming their status as commercial entities. Their courts, judges, prosecutors, and clerks have a pecuniary interest

in case outcomes, violating: RSMo § 479.020.6 (Disqualification due to personal interest), RSMo § 105.452(1) (Conflict of interest), 28 U.S.C. § 455 (Judicial disqualification), 5 C.F.R. § 2635.402 (Disqualifying financial interest), and Missouri Code of Judicial Conduct Canons 2 and 3(E).

- That the Missouri Supreme Court, having received lawful notice and supporting evidence, has failed to intervene in these constitutional and fiduciary breaches, thereby acquiescing to the misconduct and assuming full commercial and administrative liability for all derivative municipal actions.

Institutional Collusion and Conflict of Interest – Robert Parson Jr.

- It is hereby entered into the record that **Robert Parson Jr.**, named repeatedly throughout these proceedings for judicial misconduct, fiduciary breach, and commercial interference, currently holds a board position with the **Missouri Supreme Court Commission on Retirement, Removal, and Discipline of Judges**. This undisclosed affiliation constitutes a **direct conflict of interest**, as this same Commission has consistently refused to investigate or discipline Mr. Parson for his repeated violations of oath, obstruction of remedy, and administrative fraud.
- The Commission's continued inaction—despite receiving sworn affidavits and statutory notices—demonstrates a **pattern of willful protectionism** and **institutional bias**, effectively shielding one of its own members from accountability. This entanglement has created a **constructive conspiracy** whereby the **Missouri Supreme Court and its oversight body** have colluded—whether tacitly or explicitly—with Robert Parson Jr. to suppress justice, obscure fiduciary violations, and **deny the Executor the protection and full application of law** owed to him under Missouri Constitution, federal statute, and commercial trust law.
- Such conduct constitutes not only **administrative malfeasance** but also **corruption under color of law**, and renders both the Commission and Missouri Supreme Court commercially and personally liable for all derivative harm. Their failure to disclose these relationships, recuse themselves, or take lawful corrective action voids their claim to impartiality and **further validates the Executor's claim of commercial dishonor, judicial fraud, and coordinated trespass against the private estate.**
- That the Executor, Dwayne Jemon Harris – Rex El, as the lawful representative of the Estate DWAYNE JEMON HARRIS and Authorized Representative of the H.L. ESTATE EXPRESS TRUST, holds the highest legal and equitable claim to the NAME and associated assets, including all securities and instruments bonded or monetized by the listed entities.
- That the Executor, by operation of law and recorded interest, is the primary Secured Party Creditor under UCC § 9-102, and all opposing parties who have issued claims, fines, judgments, or bonds using the NAME without express consent have accepted the role of Debtor.

- That by failing to rebut the Executor's notices, affidavits, and UCC filings, Actors/Respondents have agreed by silence to the commercial classification of Debtor and to the priority of the Executor's security interest over the estate and all bonded assets monetized through court or municipal channels.
- That the municipalities and government entities listed above are for-profit enterprises registered under DUNS and SAM.gov, thereby waiving sovereign immunity and operating commercially. The following DUNS numbers have been verified and are included for public record:
 - THE CITY OF FLORISSANT: DUNS #079569680
 - THE CITY OF MARYLAND HEIGHTS: DUNS #072355029
 - THE CITY OF TOWN AND COUNTRY: DUNS #078113631
 - STATE OF MISSOURI: DUNS #878297848
 - MISSOURI SUPREME COURT (Office of State Courts Administrator): DUNS #962939625
 - MISSOURI ATTORNEY GENERAL'S OFFICE: DUNS #962944618
 - MISSOURI TREASURER'S OFFICE: DUNS #878300560
 - OFFICE OF CHIEF DISCIPLINARY COUNSEL (OCDC): DUNS #117288962
 - MISSOURI ASSOCIATION OF PROSECUTING ATTORNEYS (MAPA): DUNS #094282767
- That each recipient's silence after notice constitutes tacit admission to all claims, including judicial fraud, commercial trespass, unauthorized use of copyrighted NAME, fiduciary misconduct, monetization of court cases into bonds, and obstruction of remedy.
- That THE CITY OF FLORISSANT issued over \$250,000,000.00 in bonds against the NAME without consent and failed to remit proceeds to the trust, violating 15 USC § 78j and 26 USC § 7214.
- Likewise, THE CITY OF MARYLAND HEIGHTS issued an estimated \$100,000,000.00 in bonded instruments, and THE CITY OF TOWN AND COUNTRY issued an additional \$150,000,000.00, each using citations and administrative actions without lawful authority, trust consent, or financial disclosure. These municipalities have unlawfully monetized the NAME for municipal revenue and securities trading, constituting egregious commercial fraud and fiduciary breach.
- That the Missouri Supreme Court, Attorney General, OCDC, and MAPA have colluded by remaining silent in the face of sworn affidavits and Sunshine Law requests, thereby accepting full liability and shielding lower entities from legal accountability.
- That DEBRA MILLS, JOAN GILMER, ASHLEY MCNAMARA, JOANN COVA and JESSICA L. KLOTZ obstructed lawful requests for public records and oaths of office in violation of RSMo § 610.027 and § 105.490.

- That no party has provided rebuttal to the lawful UCC-1 Financing Statements or notices of special appearance asserting private trust status.

FINAL DEMANDS:

1. Immediate Remittance and Restitution Demand

- The Executor formally demands immediate remittance of **\$450,000,000.00** USD, plus all accrued and compounding interest through the year 2055, to be remitted to the designated account of the Living Trust as restitution for:
- Unauthorized monetization and trafficking of securities, bonds, and court instruments tied to the NAME "DWAYNE JEMON HARRIS";
- Commercial trespass and illegal use of private trust property for municipal revenue generation;
- Psychological and emotional distress, including but not limited to anxiety, humiliation, public embarrassment, familial tension, mental exhaustion, and sustained psychological trauma resulting from repeated threats of arrest, forced appearances, and targeted harassment;
- Economic damages, including the time, resources, and financial outlays required to investigate, notify, and defend against fraudulent claims and commercial encroachments;
- Reputational harm, as a result of false legal actions and public records wrongfully implicating the NAME and Estate;
- Loss of enjoyment and peaceful use of trust property due to ongoing administrative interference and malicious legal proceedings;
- Constructive fraud and fiduciary breach, resulting in irreparable trust violations by public officials acting in both private and public capacities.
- This demand is made pursuant to authority held under UCC § 9-607, 15 U.S.C. §§ 1692g and 78j, 42 U.S.C. §§ 1983 and 1986, and relevant provisions under Missouri Revised Statutes §§ 427.100, 427.120, 610.027, and common law trust doctrine. Failure to remit shall constitute final dishonor, trigger lien enforcement and asset forfeiture actions, and serve as prima facie evidence of bad faith and willful commercial injury.
- **Make check payable to the Dwayne Jemon Harris – Rex El Living Trust**
- **Immediate dismissal** of all charges and administrative actions against the NAME "DWAYNE JEMON HARRIS."
- **Signed written apologies and resignations** from all involved officers, judges, and attorneys. And

- **Full disclosure and audit** of securities, pooled bonds, and monetization of the NAME.
- **Federal forensic review** of THE CITY OF FLORISSANT's, THE CITY OF MARYLAND HEIGHTS, THE CITY OF TOWN AND COUNTRY's and ST LOUIS COUNTY COURTS docket-derived municipal bonds and court revenue generation mechanisms.

2. NOTICE OF DEMAND FOR FORFEITURE OF PUBLIC BENEFITS AND RETIREMENT – SHARON ORLANDO

I, Dwayne-Jemon Harris – Rex El, Executor of the Estate DWAYNE JEMON HARRIS, hereby issue this formal and lawful demand for the immediate revocation of retirement benefits and forfeiture of public office privileges from Sharon Orlando, former Court Clerk of THE CITY OF TOWN AND COUNTRY, on the following grounds:

That on or about June 15, 2023, Sharon Orlando willfully refused to provide public records including the oath of office for Andrea Michelle Niehoff in violation of RSMo § 109.180, which requires all municipal records to be made available for public inspection.

That Sharon Orlando escalated the matter by calling the police in retaliation for a lawful records request, thereby engaging in obstruction of transparency, abuse of authority, and concealment of fiduciary violations, violating RSMo § 610.027 and RSMo § 105.450 et seq. governing public integrity and conflicts of interest.

That the undersigned Executor documented and recorded these events in a sworn affidavit lawfully filed with the St. Louis County Recorder of Deeds, creating a public record of her misconduct, concealment, and fiduciary dishonor.

That despite no rebuttal to this sworn affidavit, THE CITY OF TOWN AND COUNTRY now attempts to discredit these documents by falsely labeling them “fraudulent,” while taking no action to correct or investigate the official they continue to shield, thereby validating the affidavit through tacit agreement and unlawful concealment.

That under RSMo § 105.492, any public official who fails to uphold their fiduciary duty, engages in retaliatory behavior, and knowingly conceals public records shall be subject to forfeiture of office and disqualification from receiving public compensation or benefits.

Accordingly, due to her documented misconduct, failure to uphold statutory duties, and the ongoing pattern of administrative fraud and obstruction facilitated by her actions, I hereby demand:

The immediate disqualification of Sharon Orlando from eligibility to receive public retirement or pension benefits, and a full public inquiry into her oath of office status, conduct in office, and coordination with other actors involved in this matter.

Let this serve as lawful notice of enforcement, and this demand shall be enforced to its fullest extent under Missouri Revised Statutes, applicable federal codes, and all lawful trust and fiduciary protections.

FAILURE TO COMPLY WILL RESULT IN:

- If all the above actors do not cease ALL activities against the NAME prior to the MAY 12th, 2025 CITY OF MARYLAND HEIGHTS COURT DATE and no Missouri Sunshine Records request are fulfilled to the satisfaction of the executor, a federal lawsuit will be filed naming all parties under:
 - 42 U.S.C. § 1983 (Civil Rights Violations)
 - 26 U.S.C. § 7214 (Misuse of estate)
 - 15 U.S.C. §§ 77q, 78j (Securities Fraud)
 - 36 CFR § 2.31 – (Trespassing, tampering and vandalism)

Filing of federal civil claims and criminal referrals under 42 USC §§ 1983, 1985, 1986; 18 USC §§ 241, 242; and 26 USC § 7214. Formal issuance of Certificate of Dishonor and Commercial Default. Enforcement through commercial lien, UCC filings, and federal court judgment.

Final Estoppel by Publication and Constructive Notice

Notice is hereby given that legal publication regarding the private status of the DWAYNE JEMON HARRIS Estate, and the proprietary standing of the Executor and associated Trusts, was lawfully published for four (4) consecutive weeks (April 18, 25, May 2, 9, 2025) in *The Legal Ledger*, a publication of record. This satisfies all requirements under Missouri law for constructive notice pursuant to RSMo § 493.050 and related provisions. No lawful rebuttal or objection was made by any individual, agency, or entity named herein. As such, final estoppel is hereby established. All parties are deemed to have received actual and constructive notice of the trust structure, the estate's private foreign status, and the superior commercial claims of the Executor and Trust. Any continued interference, failure to remit, or assertion of jurisdiction shall constitute willful trespass, fraud, and administrative dishonor and will be met with full commercial liability under state, federal, and international law. Silence equals consent. Non-response equals acquiescence. Rebuttal is now time-barred and estopped.

This constitutes your final and irrevocable warning. All named parties are hereby placed on notice of final liability and are barred from further rebuttal. Any continued silence, delay, concealment, obstruction, or refusal to remit full accounting and restitution shall constitute willful dishonor, bad faith, and knowing trespass. No further notices will be issued. This FINAL NOTICE triggers unconditional estoppel, permanent commercial liability, and activates enforcement under applicable statutes and international law.

You are now fully bound to perform, remit, or face full legal and financial consequence in both private and public capacity.
